JAMES RIVER PADDLE CHALLENGE - BACK ON FOR 2017

September 30

The James River Association is renewing the James River Paddle Challenge. Proceeds from this event benefit the JRA. The course is a circumnavigation of Jamestown Island. The exact course is to be determined. In prior years, the race started at the Jamestown Yacht Basin, continued through Sandy Bay, out into the James River (heading southeast), around Lower Point and Black Point, into the Back River, back into Sandy Bay, and return to the Yacht Basin. That's about a 9-10 mile course. Canoe, kayak, and SUP.
